MISSION STATEMENT

The Italian American Baseball Foundation is a 501c3 charity foundation established in 2016. The IABF is committed to developing and promoting youth baseball & softball in the United States and Italy by sponsoring clinics and camps supervised by MLB players, scouts and College coaches.

The IABF donates baseball equipment to organized youth teams as well as individuals in need of uniforms, bats, gloves, cleats and more.

The IABF sponsors College showcases in the US and Italy for High School students to display their talent in front of the top College Baseball & Softball programs in the United States.

The IABF provides legal assistance for the Italian Olympic and WBC baseball Teams.

Our future goal is to build an international youth baseball/softball academy that will combine education and baseball.

The IABF is committed to achieving excellence in the classroom, on the field and in the community.
