# ITALIAN AMERICAN HERITAGE EVENTS

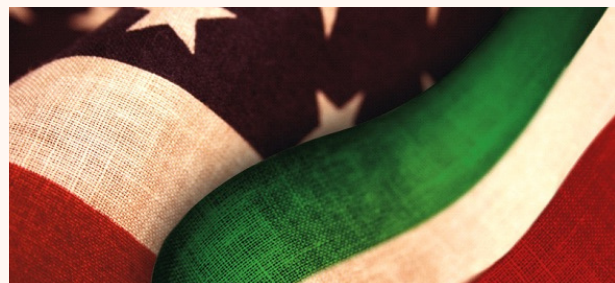

GROWTH. EDUCATION.  
COMMUNICATION.

## OUR STORY

The Italian American Baseball Foundation is a 501c3 charity foundation established in 2016 committed to developing and promoting baseball & softball in the United States and Italy by sponsoring clinics and camps supervised by MLB players, scouts and College coaches. Our goal is to grow the game and educate on our heritage and culture.

## HELP US PROMOTE ITALIAN AMERICAN BASEBALL CULTURE

## OBJECTIVES

### Event Integration

When MLB and MiLB teams host Italian American Heritage Night, the IABF would like to be the main partner and highlighted org.

### Education & Development

Aside from promoting IABF, we'd like to host a dinner, Q&A and social gathering in your city to help spur conversation with Italian American players, and execs.

### Partnership

There are many Italian American businesses in your city, who could help benefit your club and the heritage night. Let's combine efforts and discuss execution.
